

CHAFFEE COUNTY ORAL HEALTH PROGRAM

# CAVITY FREE AT THREE

**Did you know that children should visit a dentist by age one?**

It's true, children who receive four fluoride treatments by age three have reduced rates of decay. Seeing a dentist early promotes strong dental health and prevents early decay.

**CALL JULIE NUTTER, RDH TO SCHEDULE YOUR FREE APPOINTMENT  
TODAY AT 719-530-2570.**
